Weibel Says Half Sessions Should End By Next January

Double sessions should be eliminated by next January, H. Z. Weibel, Jefferson elementary school district superintendent, revealed at a meeting of the board of trustees Wednesday night.

Speeding of construction on the Benjamin Franklin school addition was cited as the reason for the encouraging news. A representative of the E. H. Moore and company, builders of Benjamin Franklin, told the board that nine classrooms will be completed by September of this year and that the remaining 12 rooms will be ready for occupancy by January.

Expected close of double sessions by the first of next year will not include the ending of ill-housing, it was stated. It is expected that about 14 classes will still be in multi-purpose rooms or in rented facilities.

Speed Other Schools

David Shapiro, assistant superintendent in charge of business, also revealed Wednesday night that general speed-up in other school construction is seen. He said that the district will call for bids next week on the Vista Grande school, thus moving completion date up almost three months to next March. The Vista Del Mar school is expected to go for bid in June, thus speeding completion date to next May, Shapiro said.

Teen-ager BARBARA HARTWELL, daughter of defeated treasurer candidate JANE KEITH, reported for part-time work last week at the Mission Bell motel.

On arriving there, she spotted some PAUL SELMI election cards, and promptly began castigating a gentleman for supporting the wrong candidate.

The gentleman asked Miss Hartwel if she knew Selmi, to which the lass replied, "No, but he's running against my mother."

To which the gentleman replied, "I am Paul Selmi."

Mrs. Keith's daughter spent the remainder of the afternoon addressing campaign literature for Paul Selmi, for which she received $3 stipend.

Whether or not the $3 went into her mother's campaign fund we don't know.

A post election observance: Should any of the councilmen be recalled and another special election ordered, Daly City will wind up with seven elections this year, undoubtedly an all-time record.

There was the school loan vote March 27, Tuesday's municipal election, the recall election May 15, the school board trustee election May 18, the June 5 primaries and the November general election. The vote to replace any councilmen who might be recalled would bring it to seven.

At this rate the local bars are going to go broke.

Daly City has its own "Bloody Mary."

But the hometown version is a beneficent personality.

She is MARY WAKEFIELD, 475 Evergreen avenue, who reported at Irwin Memorial hospital last week to donate a pint of blood for the 38th time.

We're still waiting for local challengers to this record, but haven't heard of any yet.

City purchasing agent WILLIAM FITZ PATRICK is expected to leave his post shortly.

He did not make application for the job, which has been established as civil service.

But he'll be the one who'll conduct some of the written examinations.

Tuesday night THE RECORD stayed open to report the election results.

We found out the hard way that there was plenty of local interest in the ballotting.

Between 8:30 and 11:15 p.m. on that day there were 800 phone calls handled on three lines, and all 800 were inquiring about the election.

Charge Bar Owner With Selling Liquor During City Election

A local tavern owner was arrested Tuesday night only ten minutes before the polls closed on two charges of selling liquor during an election.

Released on $250 bail and scheduled to appear in municipal court Tuesday is George Azevedo, 53, 369 Westlake avenue. Azevedo is the owner of Eve's Place, 6582 Mission street.

Arrest was made by Police Sergeant Dave Hansen who said he entered the tavern at 7:50 p.m. and found a woman customer at the bar with a partly filled bottle and glass of beer in front of her. Hansen claimed there was also an empty bottle of ale on the bar.

Azevedo's arrest marks the second election day violation within a two week period. On March 27 during the school state loan election, a bartender at the Casbah was picked up on the same count. The prior arrest was also made by Hansen.

Broken Leg: Mother Files $18,000 Claim

An $18,000 claim for damages was filed against the City of Daly City Monday night on behalf of an eight-year-old youngster who broke his leg while playing in a city storage lot at Citrus and Niantic on March 9.

Mrs. Albert Fife, 259 Willits street, asked $3000 damages for herself and $15,000 for her son, Dennis.

She alleged that pipes left lying in the non-enclosed lot constituted an attractive nuisance for young children.

The higher amount was sought for her son, whom she said "suffered great pain, a severe shock to the nervous system and other injuries."

The council denied the claim and referred it to the city attorney.

CONTRACTOR IS FIRST TO FILE FOR JEFF HI BOARD

Slate for the Jefferson Union High school board of trustees race boasted one name this week with the filing of Herman G. Kalinin, 44, of 179 Citrus avenue, unsuccessful candidate for the post in 1954.

A contractor, Kalinin has lived here 30 years. He and his wife, Mildred, who are both graduates of Jefferson, have three children.

Kalinin was the only new candidate to file for either of the local school elections so far this week. Deadline for filing is next Wednesday.

In the Jefferson elementary school district, candidates are Incumbent Joe Lewkowitz and Ralph Lewis.

SCHOOL, CITY MAKE PEACE AFTER SQUABBLE

Sharp words were exchanged Monday night between school and city administrative officers, but the evening ended on an amenable note.

A brief clash arose when City Manager Howard Stites balked at the idea of entering into an agreement with the Jefferson Elementary School district over improvements at the Vista Grande school site.

In order to call for bids on the Vista Grande school this week, the records had to show that the council had vacated Lausanne avenue.

Since the school district did not officially commit itself to take care of improvements on Lausanne avenue, Stites said, "All you've shown is intent." He said the resolution passed by the district "Doesn't specify improvements. The school district has not met the conditions of the vacation of the street."

Says Illegal

David Shapiro, assistant superintendent, retorted that, "I have written a letter to you saying the board has accepted the terms. The present school board cannot commit a future board. Do you want us to do something illegal?"

"But why all this effort to avoid drafting us a letter saying you'll do these improvements?" snapped Stites.

Shapiro explained that the district was going to build the Vista Grande school with state funds and that their approval had to be obtained on the project. He said further that there was no money in the budget and that the board couldn't specify the improvements this year when the money wasn't there. He qualified this by pointing out that the board had given evidence it would do the necessary work asked by the city.

"We'll Go Along"

Mayor Joseph Verducci remarked that, "It's an embarassing spot. We're put in a position of taking definite action, and yet the district isn't committing itself. However, it has to be done and we'll go along with it in good faith."

Asked when the district woud start the improvements, Superintendent H. Z. Weibel said, "When the time comes when there is a need for it."

Stites declared, "We need a definite time. Your answer is not enough."

The superintendent then assured the council that, "I'll do everything in my power to see that it is done. We'll put money for the improvements in next year's budget."

A poll of the council showed all members in favor of vacating the street and accepting the board's promise to install the necessary improvements.

SELMI EDGES KEITH FOR CITY TREASURER

Incumbent Joseph J. Verducci was returned to the Daly City council by a record 2718 votes, while Paul Hupf, 34-year-old attorney, upset the political dope by finishing second with 2543 to unseat eight-year council veteran Edward J. Dennis.

Jane Keith, a political unknown, gave Incumbent Paul Selmi a close contest for the city treasurer's post, but lost out, 3126 to 2764. Unopposed for city clerk was Evelyn Mosman, who received a complimentary vote of 5115.

A new high for Daly City voting was recorded as an estimated 6180 persons cast ballots out of 10,803 registered voters, or a whopping percentage of 56 plus.

The Westlake voters, who have been consistently apathetic at the polls, registered their best turnout ever and were instrumental in placing Hupf in office with the surprising 2543 total.

In most of the Westlake precincts, Verducci, San Francisco State College coach, who has been mayor the past two years, ran within a few votes below Hupf, while Incumbent Dennis trailed far back in the Westlake race and could not pick up enough tallies in the older section of Daly City.

Other Finishers

Final totals showed Dennis far behind Hupf's 2543 with 1967. Fourth in the council race was Joseph Lewkowitz, gas station owner, with 1503, followed by Peter J. Becker Jr., electrician, 1133, his running mate Harry Ross, auctioneer, 862, and Sam Grado, plumber, 796.

Without virtually any campaign up until the last two weeks, Mrs. Keith, a housewife, gave Selmi backers concern with her 2764 total, 362 behind the incumbent.

Selmi, leader of a group seeking to recall three other councilmen, had backed the Ross-Becker team, but the voters failed to respond to this duo.

On being installed in office next week, Selmi will begin working full-time at the treasurer's job at a salary of $400 a month. The council changed the job from part time to full time just prior to the election.

Verducci's 2718 votes was the largest number ever recorded by a single candidate in a municipal race here.

Commenting on his decisive victory, Verducci said, "I feel humble, yet proud, at the confidence the voters have shown in me. Despite severe criticism in recent months from my opponents I have tried not to deviate from my policies and I feel the citizens have indicated how they feel on these matters. I can only say that the confidence they have shown me will make me work all the harder for good, clean government in Daly City. I would also like to extend congratulations to the new councilman and I feel we will all be able to work together for a better Daly City."

"Best For All"

Hupf told THE RECORD that, "I'll do my best for the interests of all of Daly City. I would like to express my thanks to the voters for showing their confidence in me . . . and even more so to the men who worked so hard in the campaign."

Selmi was not available for comment at press time yesterday.

With a clear-cut margin of victory, Verducci is expected to hold his position as mayor when the council installation is held next Tuesday night.

Following is a breakdown of voting at the city's 36 precincts:

Precinct A (337 Bellevue) — Dennis, 68; Verducci, 58; Becker, 55; Grado, 25; Hupf, 19; Lewkowitz, 38; Ross, 31; Selmi, 98; Keith, 51.

Abortionist Gets 40 Months In Jail

Mrs. Alta Anderson, 57-year-old Broadmoor abortionist, must spend a minimum of 40 months in the California Institution for Women at Corona for her crimes.

Superior Judge Murray Draper Wednesday sentenced the woman, who was convicted on two counts of committing abortion.

The judge granted a five-day stay on her commitment at request of defense attorney Leo Sullivan of Oakland, who said he will appeal the decision.

Mrs. Anderson was arrested by Broadmoor police and district attorneys from two counties last November at her 590 Washington street home, and subsequently indicted by the grand jury on two counts of abortion.

Her daughter, Mrs. Mae Rodley, was charged with being an accomplice but charges were dismissed after she testified for the prosecution at the March 12 trial.

75 COLMA VOTERS OF 120 TURN OUT

Seventy five of Colma's 120 registered voters cast complimentary votes Tuesday for the three incumbent councilmen who were unopposed for re-election.

Leading the field with 62 votes was Bartley Flynn, while John Newton polled 60, Earl Taylor, 58.

The three councilmen will serve for four years.

Ray Ottoboni is currently the mayor, but it has been customary to name a new head of government each year.

Recall Petitions Certified To Council; Election Set May 15

On the eve of one election, the city council Monday night established May 15 as date for a special recall election.

City Clerk B. C. Ross certified petitions asking recall of Councilmen Del Wilson, Sanford Vickers and Micheal De Bernardi as containing sufficient signatures. A total of 1061 signatures were required on each petition to force the election. Vickers petition contained 1201 signatures, Wilson's 1213, and De Bernardi's 1184.

Although a crowd of some 80 persons were gathered in the council chambers, there was virtually no discussion on the issue.

Ross read a letter stating the petitions had sufficient signatures and the council unanimously set the election for May 15. The law requires that on receipt of the valid petitions, an election must be set in not more than 40 nor less than 35 days.

Only comment voiced was by Vickers, who said, "Let's instruct the city attorney to see that affidavits showing that each person who distributed the petition is a registered voter and make sure the affidavits are attached to each petition.

HILLSIDE BIDS ARE IN; WILL AWARD JOB APRIL 23rd

Five bids for re-surfacing Hillside boulevard were held for further study by the city council Monday night.

Of the five bids submitted for the major street project, Bragato Paving Co. was low with a proposal of $24,813.55. Other figures were: Eaton & Smith, $25,851.36; Lowery Paving Co., $26,036.98; Fay Improvement Co., $29,931.80; Associated Pipeline, $30,220.24.

City Engineer Cyril Weiler's estimate for the job was $25,267.

The county will contribute 23 per cent of the money to the project.

The council is expected to award bid on the long-awaited project at the April 23 meeting.

Louis Nava Dies; Long-Time Jeff Elementary Trustee

Louis Nava, a member of the Jefferson Elementary School district board of trustees for 21 years, died Saturday at the age of 70.

A native of Italy, he resided at 130 Rainier street, Colma, and had been a resident of that community since the turn of the century.

Nava was appointed to the school board in 1925, and subsequently elected for three-year terms through 1946.

He was the husband of Angelina Nava, father of Louis J. and Robert E. Nava, brother of Josephine Clervi and Anita Degliantoni, and grandfather of Louis J., Donald E. and Robert W. Nava.

Funeral services were held Tuesday from the chapel of Valente, Marini, Perata & Co., 4840 Mission street. A Requiem High Mass was offered at Holy Angels church. Rosary was recited the previous evening.

Entombment was at Holy Cross mausoleum.

Vandals Hurl Rock Thru DC Pet Shop Window

An estimated $200 worth of damage was caused early Monday morning by vandals who threw a six-inch rock through the plate glass window of the Daly City pet shop, 6277 Mission street.

Police received several calls from neighbors who spotted the culprits riding past the store in a red and white convertible at 2:23 a.m. However, the vandals escaped before the arrival of officers.

JC Trustees Ask North County Study On College Branch

An extensive survey to determine need for a junior college in northern San Mateo county and possible building sites was called for Wednesday night by the San Mateo Junior College district board of trustees.

Jack Kendree, newly-apopinted trustee from Daly City, said the board asked that the San Mateo county continuing survey group launch a study "immediately" to collect information needed before proceeding with a northern San Mateo county junior college branch.

This marks the first tangible step in the district's announced policy to extend college facilities to the north county. Figures revealed at a previous meeting indicated a great need for a college branch in this section of the county.

Bocci Wars On Dumping In N. County

In an effort to curb dumping on public property in the north county, Municipal Judge Thomas L. Bocci today said his court would pay a $20 witness fee for each person whose court testimony helps lead to arrest and conviction of "litter-bugs."

Bocci has already asked the county board of supervisors to enact a law providing for a $25 reward to all citizens who assist in the arrest of litter-bugs.

He said, however, that if the board failed to pass the legislation he would make provision for the $20 witness fee for persons required to appear in court to testify against the illegal dumpers.

The judge said that "Unless the litter-bug practice is stopped and curtailed, our county roads and uninhabited areas in the north end of the county will become blighted. Presently they are eyesores and constitute a health menace."

Vandals Shatter 29 Windows In Empty Home

A total of 29 window panes in an unoccupied Crocker avenue home have recently been broken by vandals, according to Daly City police. Officers have already questioned several young suspects but all have denied knowledge of the crime.

Owner of the property at 735 Crocker avenue is Bud Lycett, 100 Fairlawn avenue.

NEVILLE ZONING WINS APPROVAL AT 2nd HEARING

Over protest of six Peter street residents, rezoning of 25 feet of property off Mission street from residential to commercial was approved by the planning commission Wednesday night for the second time.

After earlier recommending the zoning change to make way for a $250,000 Neville Motors auto sales and service agency on Mission between Bismark and Gambetta, the commission had to rehear the matter because of failure to properly publish the notice of hearing.

Residents of Peter street did not oppose the commercial development, but wanted 25 feet at the rear of the property fronting on Peter left residential so that it would act as a buffer between their property and the business. Neville Motors, 7360 Mission, sought to have the entire parcel re-zoned so that they would have rear access to the building.

Claim Hazardous

The Peter street homeowners held that access to the building on their street would pose a hazard to children playing in the area and would disturb the character of the residential neighborhood.

Appearing to protest were Mr. and Mrs. J. Hein, 22 Peter, Mr. and Mrs. Theodore Wendt Jr., 26 Peter, and Mr. and Mrs. James Boxum, 18 Peter. They were rep-

Although approximately 100 persons were present at the beginning of the meeting at Garden Village school, only a few stayed to hear the board wade through a tedious business agenda.

Other business undertaken by trustees included:

1. Announcement by Shapiro that the state finance committee will meet April 26 to consider holding all square footage owned or rented by school district against the district under the state aid program.

2. Statement by Weibel that it is planned that the double session burden will be transferred to children not now effected.

Meet the Bennetts who set up housekeeping in Santa Rosa in 1936

20 YEARS AGO—when Duane and Eileen Bennett were married, they had 6 appliances: stove, hot plate, water heater, toaster, iron, radio.

TODAY—their inviting home boasts 25 appliances: range, refrigerator, freezer, washing machine, dryer, toaster, mixer, waffle iron, deep fryer, 2 electric exhaust fans, garbage disposer, electric clock, 2 TV sets, 2 irons, sewing machine, vacuum cleaner, electric blanket, hair dryer, electric heater, 2 water heaters, furnace.

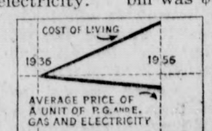
Today they buy $19 worth of gas and electricity for $15

...for the average unit cost is far less than it was in 1936

Most Californians — like the Bennetts — own many more appliances today than twenty years ago. And all these extra appliances use additional gas and electricity. Fact is, if you're like the average California family, you're using *three* times as much gas and electricity these days!

As a result, your bill may be higher. But it's far *lower* than it would have been 20 years ago.

That's because P. G. and E. now charges far less per unit of gas and electricity. Proof? A month or so ago, the Bennetts' bill was $14.79. In 1936 the same amount of gas and electricity would have cost them $19.19. You're probably making similar savings yourself.



Can you think of any other prices that are lower today than 20 years ago? *No wonder we say . . .*

Gas and Electricity are cheap in California!

THE FORTUNES OF DALY CITY

Tuesday's election will have local political students talking for a long time.

A relative newcomer to the city, Paul Hupf, decisively downed an incumbent, Edward Dennis, who had served a total of eight years on the council.

Hupf's election showed that Westlake area can wield strength at the polls.

Joseph Verducci, who has been the target of a few hecklers of the administration, polled the highest vote ever accorded a city candidate, despite the active campaigning against him by these opponents.

City Treasurer Paul Selmi, who is among these opponents, was returned to office by a 362-vote margin, defeating a woman who was a political unknown.

Yet Selmi's chosen candidates running as a team in the council race were practically last choice among the voters.

Observers would like to find some significance in this, since Selmi is leader of a group seeking to recall three councilmen. Does the rejection of Selmi's candidates mean that his endorsement of the recall will be the "kiss of death," or does Selmi's re-election mean that his campaigning will help put the recall over? We'll take a while to ponder this and other questions which will arise in weeks to come over Tuesday's election results.

Possibly the most encouraging sidelight of the election was the turnout, which probably will be officially about 6200 when all the ballots are counted. Not only does this naturally represent the largest vote ever recorded here, but it means that about 56 per cent of the 10,803 registered voters exercised their franchise. This percentage ranks with the all-time high for voter turnout in Daly City. Only 43 per cent showed at the 1954 election.

The high vote speaks well for the community, its candidates and the people in it. The more active interest the individual takes in city government, the better that community will be.

The democratic process has just completed its cycle in Daly City again. The people have chosen their representatives.

We wish them every success and foresight, because their fortunes are Daly City's.

Two For Tonight

By Leonore Brewer

Two weeks ago we referred to the appearance of the Azuma Kabuki Dancers and Musicians at the Curran, final performance Sunday, April 15, and said something to the effect that if you had missed them "last year," you were being given a second chance to see one of the most extraordinary dance groups ever to appear in this country.

Not until we dug into our files for their program and souvenir book to refresh our memory a bit, did we discover that their previous appearance was almost two years ago. Our only explanation for this slight boo-boo was that all the facets of their performance, the dancing, the unusual instruments and the magnificent costumes, left so lasting a fragrance that they are remembered vividly, while something seen a month or so ago has already been shoved into a corner of the memory, there to gather dust.

Distinguished Tradition

The history of Kabuki is very long and involved. At one time it was composed of women only, but over the centuries things changed and now the Grand Kabuki theatre is strictly male. Knowing this, some may question how Azuma Tokuho has the right to use the word Kabuki, since in over 300 years no woman has appeared on the Kabuki stage.

Azuma Tokuho is the daughter of a great Kabuki-style dancer and the distinguished Uzaemon, the fifteenth Kabuki actor since the 17th Century to hold that hereditary acting title. Although barred by tradition from the Kabuki stage, Azuma Tokuho's training as a dancer began at an early age and upon the death of her father she had reached the point where she was honored by inheriting the leadership of the Azuma School of Kabuki Dancing. Although firmly entrenched in tradition, she has created her own individual style and it is this that can be seen at the Curran through this weekend.

It would be silly for us to give you the impression that we grasped the subtleties of this age-old art in one short evening, even after having done a little preparatory research. Possibly, much of it will always be beyond our complete understanding, and it is just this mystery that illustrates a point we never tire of making: It's never necessary to "understand" an art to enjoy it. The more you know about it, the deeper will be your appreciation of its value, but all you really need to enjoy it are two eyes, two ears and an awareness of beauty.

On Tuesday, May 8, the Vista Grande Concert association in cooperation with the Daly City recreation department will present the San Francisco State College A Cappella choir in a program of choral music, under the direction of Dr. John Tegnell.

This concert will be open to the public at no charge.

Further details will be forthcoming as the date draws near.

Cars equipped with automatic transmissions occasionally have a tendency to creep forward when the engine is idling. This can usually be minimized by adjusting the carburetor idle speed, says the California State Automobile Association. The adjustment also helps to save gasoline.

ROBERT A. MacDONALD, son of Mr. and Mrs. Floyd Easton of 17 Cottonwood drive, is home on 14 days recruit leave. Robert dropped in at the U. S. Navy Recruiting station, 6705 Mission street, where he enlisted in the navy and stated that he had been assigned to the engineering department aboard the U.S.S. LSD 4 at San Diego, and is eagerly looking forward to becoming a machinery repairman.

Village Notes

PL 5-0679

The Easter vacation to end all vacations was enjoyed by the entire Suenderman family, now resting at home on Bryant street. Hank, Jean, Chuck and Barbara Jean began things by heading south to Oceanside, thence to Palomar for a day, and to the San Diego Zoo for another day. Then they visited the mission at San Juan Capistrano, one of the most beautifully quiet and peaceful places there is, and went on to Long Beach. After that came two whirligig hapy days at Disneyland, which they all loved, and then a trip to Knotts' Berry Farm. They came home by way of Bakersfield, a wonderful motel and a heavenly swimming pool, which the youngsters almost wore out with all their swimming. Quite a week!

Marge Reuter's Larchmont home was the scene of a gay and gala luncheon recently, when Virginia Neff and Nellie Krawetz, outgoing counciling Den Mothers for Cub Pack 84, were honored by the new counciling DM, Anita Shanoian, and her cohorts. Edna Spediacchi, Jean Suenderman, Claire Vocke, Caroline Sibbald, Carolyn Bennett, Mary Contreras, Helen Mahoney and Pearl South were all there, and while Janet Edler and Margaret Stern couldn't make it, they were there in spirit.

Well, there's another future member of Cub Pack 259 at the Pickens home on Nimitz. John and Estelle have welcomed 9 lb. Jay Joseph into the family, and big brothers John and Dick are pretty glad about it all, too. John Senior styed home with the boys to keep the home fires burning while Estelle was in the hospital, and he managed very well—both boys just got over the contagious stage of chicken pox before their mother and new brother came home!

The Gordon Fiests left Sweetwood for Eureka for a couple of days just to Get Away From It All after Easter. . . . The Gordon Sibbalds left Larchmont for keeps and are now residents of Millbrae Highlands. . . . The LeRoy Kruegers will be making a trip to Las Vegas (or maybe they have left by now), a trip Roy won in a contest for building the best Lux products display. He took a picture of the finished work of art, sent it in, and there he was, practically on his way to Las Vegas. King's should now have a sign—"Artist At Work"! Congratulations, Roy!

Village Problems

Problems in the Villages this week numbered a smashed finger, brought home from the Motorama by Richard Orloff when he caught said finger in a Buick door, a nasty case of mumps belonging to Paul Elliott, which deprived the Presbyterian choir of its best bass, and an equally nasty set of the same which was divided among all the members of the Carlton Chestnut family.

A no-hostess dinner baby shower, with everyone bringing something to eat as well as gifts, was the reason so many cars were parked all up and down Louvaine Drive awhile back. Janet Rizzo was mostly the hostess, as the shower was for her sister-in-law, Olga Rizzo, who lives on Stewart. Ruth Brown, Ruth Salet, Peggy Northrop, Jean Bertkins, Ann Woods, Stella Fraser, Gertrude Fraser, Isabelle Crosley, Evelyn Alexander (who came up from SSF), Helen Schober (Janet's cousin), Inez Dryden, Jenny Aiello, Helen Mahoney, Mary Contreras, and Emma Aiello (who was mostly the hostess, too.) According to all reports, everyone had a wonderful time, and gained at least three pounds!

Up yonder on Gilman, Ruth Mary Warner had guests for Easter season. Her aunt, Helen McDonald, whom Rosemary had not seen since she was 9, came out from Ft. Wayne, Indiana, and then her brother and his wife, Paul and Margaret Skelton, came up for a week from San Juan Capistrano. Needless to say, the Warners enjoyed the continuous series of family reunions very much indeed!

For The Road

One for the Road: Edyth Mullen now has her driver's license. . . . Madeline Feist and Hazel Eagleton glimpsed each other driving by recently—in San Bruno. . . . That gorgeous hunk of maroon and cream DeSoto station wagon pushbuttoning around belongs to the Logans of Ninetieth street. Just to be confusing, though, it went in for a face-lifting this week, and should be, by now, pink and gray. The push-buttons remain chrome, however!—We have been intrigued by the increasing number of small foreign sports cars parading by on Maddux—all makes, colors, and drivers' costumes. . . . Mystery of the week: where was George Carleton going with that swish yellow motorboat trailering along behind him? Whose boat? Answer next week (maybe)!

Easter meant birthday time for Mark Karlsson over Sweetwood way. He was 4, and his brothers Eric and Ronnie helped him welcome guests Tommie Long, Robbie Harvey, Marjorie Long, Patsy Sables, Billy Sables and Michele Raymond. Rabbits,. chickens, colored eggs, etc., were all part of the party theme, and everybody had a wonderful time.

Judy Krueger had an Easter party, too, but it wasn't a birthday, and bop replaced bunnies as the main interest. The crowd at Judy's Louvaine home included Sonja Salo, Donald Mason, Bonnie Johns, Doris Wilson, Jimmy Gafton, Tom Parish, Ann Schweitzer and Billy Krueger. We could say it was a real cool get-together, but will stick to some safer adjective, like terrific!

Baby Shower

A pink and blue and white basket, and cupcakes iced in all the baby colors graced the refreshment tables at the recent baby shower on Foothill, when Elsie Scott honored Barbara Merritt. Vida Cussary, Lee Fitzpatrick, Ruth Stookey, Juanita Livingstone, Carol Pettit, Mrs. Ralph Goetz, Emily Modica and Elizabeth Irby were the friends who came to share the fun and to shower Barbara with baby things.

A very warm thank you is due the men of the Ellis-Wildwood area who painted Betty Hyndman's home a few weekends ago. A nice gesture by good neighbors, it was also a job well done, as the cheerful red house with the white shutters shows. And what a wonderful time everyone had at the neighborhood turkey dinner Betty and the wives fixed for an after-the-job celebration and thank you.

Several families in our Villages have had need of sympathy from friends and neighbors these recent days. We would like to join with them in expressing condolences to the family of Ben Malcom of Washington Street, and to the family of Joseph Camenzini of Village Lane.

At a recent meeting of the Presbyterian Women's association, two young people told of summer church camp experiences, in relation to a talk about Christian Education. They told simply, and well, of deep feelings not always easily expressed by the most facile of speakers, and they impressed everyone with their poise. If some of us are worried about teenage behavior, et al, a chance to meet and talk with Jean Roller and Jim Treanor would set most of those worries at rest.

Easter Event

Speaking of the younger Villagers, Linda Masterson held a slumber party at her Louvaine home the Saturday before Easter, with the group all going to the sunrise services on Mt. Davidson and then having a breakfast together afterwards. Guests were from Job's Daughters Bethel 198, and included Peggy Brewster, Sandra Smith, Nettie Turman, Eddie Durate, Barbara Newcomb, Judy Krueger, Pat Kully, Nancy Redford, Arleen Hansen, Susan Damon, Diane Brown, Barbara Leever, Mary Alis and Georgina Freeland.

Special bouquets to Claire Vocke, Esther Milam, Aida Larsen and Molly Phillips of the executive board of the James L. Snell PTA for cooking and serving a superb ham dinner honoring the teachers. The dinner, held at the Garden Village school, found some 60 members of the teaching staff, the present exec board and the incoming board all talking together about 1001 subjects and enjoying themselves thoroughly.

Minature Jeweled Pig Serves As Symbol For ABC Club Members

Editor's note: This is the 20th of a series of articles on local Women's organizations. THE RECORD will feature one of the groups listed in our files each week.

Official charm bracelet of the ABC club features a tiny jeweled pig which represents "what we all were before we joined," according to Mrs. C. Barton, president of the local charter branch.

Explanation of this frank and unusual statement is seen in the club's full name, "Always Budget Calories."

The organization, which was founded last September 30 by Evangaline Baker of KGO-TV, is open to all persons weighing over 135 pounds and who earnestly want to lose weight. Both men and women are eligible to join, but the women members say they haven't yet found a man who will admit he's overweight.

Members weigh in at each meeting, and awards are presented those who lose a certain amount of poundage. Requirements vary according to the weight of the member, with heavier women being asked to lose more pounds.

If a member has gained over a two-week period, she is fined.

Besides the fines, only other membership payment is a 50-cent joining fee and dues of 10 cents per week. As the club is strictly non-profit, revenues goes towards purchase of awards and the organization's philanthropic project.

Particular philanthropy of ABC branch No. 1 is the Laguna Honda home where the women entertain and provide gifts for the patients. As explained by Mrs. Barton, work at the Laguna Honda home not only serves as a "good deed" measure for members but also provides a necessary outlet.

"When you're thinking of others, you're not so apt to think of yourself and thus over eat," Mrs. Barton declared. She added that visits to the home also serve to aid the women in their reducing program as patients always comment on the lost pounds.

Although the young group has not yet had any graduating members, plans for such an occasion have already been made. Upon reaching her weight goal, the woman will be awarded a diploma charm, to be followed six months later with a trophy if she has maintained her weight.

Last charm for the official bracelet will be a small disk showing the member's original weight, which it is hoped will serve to remind the woman never to reach that point again.

Other charms on the unique bracelets include a 1955 dime, denoting the year of formation of the charter club; a disc with the charter and organization engraved on it; a refrigerator and a scale.

Meetings of branch No. 1 are held every Friday afternoon at 1:30 p.m. at the home of Mrs. Charlotte Arko, 64 Los Olivos avenue. A second meeting will be held every Friday morning if the demand warrants.

Officers assisting Mrs. Barton are Mesdames: M. Niehaus, vice president; Arko, secretary, and J. Fox, treasurer. Other members are Mesdames: M. Lee, J. Kelly, F. Schmadeke, H. Buckley, A. Peterson, D. Jensen, T. Clark and C. Meyer.

For information persons may call Mrs. Arko at PLaza 5-8059 or Mrs. Barton, except between noon and 3:30 p.m., at PLaza 5-3580.

Re-Elect Casentini Italian-American Club President

At a recent meeting of the Italian-American Federation of San Mateo county, Dan Casentini of Daly City was voted into a second term as president. The federation is composed of delegates from approximately 19 Italo-American clubs and lodges.

Casentini has served as president of the Daly City-Colma group and also the Council of Clubs of San Mateo county. Representing the Federation, he was responsible for a fund raising campaign on Radio Station KSFO that resulted in donations from the Bay Area being sent to Yuba City during the disastrous floods.

Ray Colombo of San Bruno, highly regarded in organizational work, was elected vice-president; Mary Soletti of San Mateo, secretary; Roy Barghini of Daly City, treasurer; Ildo Rosellini of Belmont, parlimentarian; and Joseph Quilici of Woodside, sergeant of arms.

Last year's successful Columbus Day festival has enabled the federation to sponsor college scholarships to three high school seniors. A presentation award dinner will be given honoring the winners on May 26 at the Peninsula Social club of San Mateo.

Also on this day, the campaign for the Columbus Day Queen contest will open. Any young local girl interested in joining the contest, please contact Casentini at PLaza 6-4521 or Barghini at PLaza 5-5658.

ARTS WORKSHOP SET SATURDAY AT JEFF HI

On Saturday from 9 a.m. to 5 p.m. Jefferson High students will have an opportunity to participate in an experimental Creative Arts workshop sponsored by Miss Eunice Seaton of the high school dramatics department.

Directing the workshop will be specialists from San Francisco State college: Mrs. Burdette Fitzgerald, teacher of creative dramatics in Northern California; Dr. John Tegnell, one of the leaders in creative music on the west coast; and Paul Flick, who has received considerable recognition for heading similar workshops.

It is hoped this program will be the beginning of a series of important experiments in the field of the creative arts, which may later include creative dancing and writing, according to Miss Seaton.

The program will provide a new type of activity and place new demands upon high school students. In the past, the emphasis in the teaching of the arts in high school has usually been placed on memorization, note reading, interpretation of scripts, scores, etc., and technical proficiency. In this program the emphasis will be on the dynamic process of creation and on the spontaneity and enjoyment to be had in group or cooperative art projects, Miss Seaton explained.

"In a situation such as this, where freedom from authoritarian restraint upon the student is so essential, intelligent and subtle leadership is of extreme importance," she said. "For example, for a dramatic exercise or production a theme and perhaps a suggestion as to how it might be carried out would be presented to the students. There would follow a group discussion by the participants as to how the theme could best be performed through characters and situation. The students then acting out their parts, and having no set script to lean upon, would have to bring their own experience and dramatic and psychological insights and intuitions to the invention of characters in relation to the situation."

At the same time co-ordination between the several fields (dramatic, musical, decorative) will be carried on so that harmonies of mood, tone and meaning are achieved, Miss Seaton declared.

"It would be easy to be so permissive that there would be no control or so authoritarian that there would be little creativity. The new techniques in this field must be seen to be appreciated," she added.

Many teachers have shown great interest in new techniques lately developed in the creative arts field. It is hoped that the public will now avail itself of the opportunity to come and see a workshop in operation, the dramatics teacher concluded.

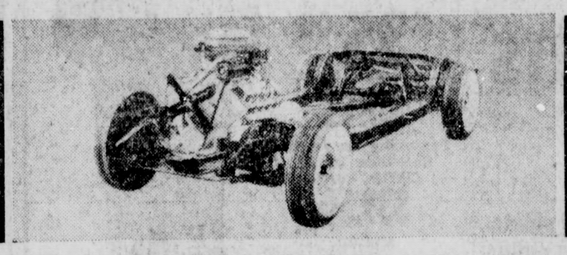
DISCOVER THE DIFFERENCE IN DODGE!

This isn't just "big" talk. Dodge actually is bigger all around—up to 7.7 inches longer than cars in its own field, 14.5 inches longer than cars in the "low price" field. Dodge is bigger inside, too. More *legroom* front and rear! More *hiproom* front and rear! Dodge gives you *plenty of room* to relax in comfort.

Dodge push-button PowerFlite makes every other way of driving old-fashioned. It's mechanically perfect—the easiest, safest, surest way of driving ever developed. *Just touch a button and go!*

Dodge is powered for today's driving! Aircraft-type 260 hp. V-8 engine develops tremendous *break-away* power!



Solid—that's the way Dodge builds 'em! From the frame right on up, Dodge is engineered to take the roughest punishment. EXAMPLE: Box-section side rails provide greater strength and ruggedness than common I-beam or U-channel type used in most other car frames. Crossmembers are extra heavy. Here's solid dependability.

Who says parking isn't fun? Dodge power steering does 80% of the work, takes *fewer turns* of the wheel than other cars.

You can stop on a dime—with Dodge power brakes. Front wheel brakes have *two* cylinders, two anchors for positive, predictable stops.

It's America's performance champion! No other car has ever given such *proof* of superior performance. In a 14-day run at Bonneville, Dodge outclassed American stock cars and European sports cars both—shattered 306 AAA records in all, including 27 world records.

First Place Jefferson Nine Meets SSF On Local Field

Jefferson high school's varsity baseball team puts its perfect league record on the line today (Friday) when it clashes with South San Francisco on the local diamond at 3:15 p.m.

Tuesday's scheduled game with Carlmont was called because of rain at the end of the first inning with the score tied 3-3. It will be replayed April 8.

The Indians took over undisputed possession of first place Friday by downing previously unbeaten Capuchino, 6-3, on the Jeff diamond. The win gave Jeff a 4-0 league mark and 11-6 season total.

Captain Ray Vuillemainroy, the Jeffs top hurler, pushed his league mark to 2-0 by hurling eight hit ball and striking out three. He allowd only one earned run.

The Jeffs pumped off to a 2-0 lead in the first inning and were never behind. Ino Patron, Leroy Franzoia and Bob Bailey led off the game with walks, and Patron scored when catcher Bill Stressburger hit into a double play. Franzoia then tallied on Mike Wedlake's single.

The Indians picked up two more runs in the second frame. Haanan walked, moved to second on Ron Cryer's sacrifice and stole third. He scored on Patron's single. Patron then came in on an overthrow at third following Franzoia's safety.

Jeff stretched its lead to 5-0 in the third when Haanan singled, stole second and scored on Cryer's single.

Jefferson closed out its scoring with a tally in the sixth. Altogether the Indians banged out eight hits, and took advantage of walks and Cap errors.

After four games Mike Wedlake and Strassburger represent Jefferson among the top ten NPAL batters. Wedlake has posted a .386 average on 5 hits in 13 ABs for seventh position. Strassburger is in ninth spot with a .333 average.

The Indians will have to protect their league lead twice next week if they get by the Warriors today. Tuesday they travel to Burlingame and Friday they host San Mateo.

OUR SAVIOR CHURCH CONGREGATION PLANS MEETING ON SUNDAY

Religious activities at the Lutheran Church of Our Savior will include at 4 p.m. this Sunday a meeting of the congregation.

The church is located at Junipero Serra boulevard and Garfield street, San Francisco.

Podesta Grabs Pair Of Weekend Games

The Podesta Nursery nine nabbed two out of three ball games over the weekend behind the pitching of Cornell Holmes and Dick Geno.

Holmes hurled six-hit ball Saturday as the nurserymen downed Sarto A. C., 9-4, at West Sunset. Sarto came back to trim the Podesta nine, 5-1, at Jefferson in the afternoon. Gary Podesta was the losing pitcher in the second game.

Jeff Pearlman, Gary Podesta and George Serrichia singled for Podesta in the first game, while John Souza, Richard Mortola, Terry Tracy and Holmes did likewise in the second.

Sunday Podesta dropped El Cerrito boys club, 6-5, on the losers' diamond. Geno gave up eight hits and walked 10, and was relieved by Phil Fair in the ninth. Geno fanned 10, and Fair, 2. Geno also collected two singles, while Dick Greenwood and Sonny Sarro had one apiece.

Colma School Volleyball Tournament Nears End

Mrs. Isabelle Schioldager's fourman volleyball team won the eighth grade championship at Colma elementary school last week by downing Betty Welp's eighth graders, 21-3 and 21-4.

Members of the winning team were Dixie Howell, Brad Turcott, Bob Goodwin and Richard Reese.

Four seventh grade teams will fight it out in the semi-finals of their division. Alvin Lee's team faces Jim Lufrano's squad, while Steve Cramer's and George Claus' teams mix in the other semi-windup clash.

Sixty four man teams participated in this elimination tourney.

The intramural softball league started this week, with 12 teams each in the seventh and eighth grade divisions.

CREIGHTON SENT TO SALINAS IN CALIFORNIA LOOP

Lowell Creighton, 18-year-old Daly City right-hander, reported yesterday to Salinas of the California State league.

Creighton, who starred in his opener with the San Francisco Seals last year and then faltered, was optioned to Salinas after working out with the Seals in spring training at Florida. He

still remains the property of the Boston Red Sox, who now control the Seals.

The former Jefferson High school star will probably see a good deal of mound action with the Class C Salinas club.

On a one year option, Creighton will be moved up in the Boston organization if he shows any stuff this year. In high school, Creighton had a phenomenal record and went straight to the Seals after graduation.

The Salinas nine will play its first game April 20.

Creighton is the son of Mr. and Mrs. Lowell Creighton, Sr., 97 Teresa street.

Jeff Linksmen Awarded Forfeit Carlmont Win

Jefferson high school's golf squad was awarded a forfeit win over Carlmont Tuesday when the visitors failed to show for their scheduled match.

Coach Mike Orlich's linksmen resume NPAL play Tuesday against Capuchino at the Green Hills country club.

Indian Varsity Tied For Swimming Lead

Jefferson high school kept pace with Burlingame's swimmers as its varsity whipped Hillsdale, 54-19, last week in the Hillsdale pool. The Indian and Burlingame varsities have identical 4-0 league marks.

The Jeffs clashed with Burlingame yesterday (Thursday) in the local pool after THE RECORD went to press in a meet that should just about decide the NPAL dual meet championship.

Jefferson's thirties also took the measure of Hillsdale, 46-17, but the twenties bowed, 28-22.

Don Lippert's double victory paced the varsity win. Lippert took the 100 backstroke in 1:12.2 and the medley relay in 2:11.4. Lippert holds the best time of the PAL season in the 100 back—1:03.2.

Bob Craig took the 100 freestyle in 1:05.2, Bob Galindo churned the 200 free in 2:33.6, Bill Delucchi won the 100 breast with a 1:12 effort and Jim Giblin snared the individual medley in 2:14.2 for the other Indian firsts.

Dick Rasor led the victorious thirties with wins in the 100 breaststroke and individual medley. His times were 1:15.8 and :50.4 respectively.

Other '30s winners were Stone, with a 1:07.5 100 free; McGee, :35.6 in the 50 backstroke and Jefferson's four man relay team of Brugioni, Rocci, Marshall and Stone, :53.8.

Twenties winners were Tafoya, :30.2 in the 50 free, and Erickson, :37.3 in the 50 back.

The Indians close out the dual meet season next Thursday at South San Francisco. NPAL trials start April 26 at Carlmont.

JEFF F-S GAME CANCELLED BY RAIN

Tuesday's Jefferson-Sequoia non-league frosh-soph baseball game at Sequoia was called at the end of the first inning because of rain. Jeff was leading, 2-0. The game will be replayed May 8.

The Jeffs were blanked by Balboa, 4-0, last Thursday on the Daly City diamond. Gary Ryan, Puzzy Firth and Bob Berry collected the only singles for Jeff. Bal socked pitchers Ryan and Paul Tapia for nine hits.

The frosh-sophs met Hillsdale yesterday (Thursday) in an NPAL contest at Jeff after THE RECORD went to press. Tuesday the Indians play Riordan at 3:30 p.m. on the local field, and Thursday they return to league action against Capuchino at Capuchino.

SENIOR Ray Vuillemainroy is shown as he hurled Jefferson's varsity baseball team to a 6-3 victory over Capuchino Friday on the local diamond. Team captain Vuillemainroy, who is now 2-0 in league play, gave up only one earned run, eight hits, one walk and struck out three.

Bill Whalen's four-hit performance provided Daly City Juniors with a 5-1 victory over Podesta Nursery Saturday.

Whalen struck out six batters in twirling the win.

Barry Krohn's two hits in two tries led the Daly City offensive. Rich Morales, Vic Kulik, Mike Rovai and Whalen garnered a safety apiece.

Bill Hynes played a sterling defensive game at the backstop.

The Juniors will play again Saturday against an opponent yet to be named.

Jeff Upsets Burlingame After SM Track Defeat

Knocked out of the undefeated ranks and the NPAL dual meet lead by San Mateo Friday, Jefferson high school's varsity trackmen turned around and upset Burlingame's defending chaps, 60½-52½, Tuesday on the windy, rain-swept Jeff oval.

School record-breaking performances by pole vaulter Al Arneson and the 880 relay team highlighted the Burlingame victory, which gave the Jeffs a 3-1 league mark.

Arneson vaulted an even 12 feet to break the school record of 11' 3" which he tied earlier this year. The relay team was clocked in 1:32.8, bettering the record of 1:32.9 it set in the South San Francisco meet this year.

Tomorrow (Saturday), members of the Indian squad travel to El Cerrito for the annual El Cerrito relays.

Burlingame's 30s handed the Indian lightweights their second straight loss, 57 1/3 - 44 2/3, but the Jeff 20's came out on top, 53½-14½.

Other varsity winners were: low hurdles, Jerry Howard, :21.5; high jump, Bill Curtis, 5' 8"; broad jump, Jim Honeywell, 18' 4"; discus, Jim Farley, 113' 7"; and high hurdles, Don Weisner, :15.6.

A triple win by Sonny Martinez was not enough to offset Panther strength in the thirties division. Martinez took the 150 in :15.5, the 330 in :38.3, and tied for first in the broad jump at 17' 2".

Andy Estigoy, with a 3:31.2 clocking in the 1320, and Bruce Lovazzano's 10.4 low hurdles time were the only other Indian firsts.

Harvey Marston scored a double win in the lows and broadjump to pace the 20's win. His times were :15.6 and 16' 1½".

San Mateo put a crimp in the Indians' dual meet title aspirations Friday, downing the Jeff varsity, 60-53, and taking the lightweight divisions, 57 2/3 - 55 1/3 and 46-22.

The Jeff varsity could muster only four first places against the talented Bearcats. Jim Honeywell, with a :52.1 quarter-mile led an Indian sweep in that event.

Ron O'Rourke ran a :22.2 fur long, Jerry Howard broad jumpe 19' 11¾" and the relay team cov ered the distance in 1:35.4 for th other firsts.

Ironman Sonny Martinez score another triple killing in the thir ties division, but it could not kee the Bearcats from grabbing close victory. Martinez won th 150 in :15.7, the 330 in :37.4 an the broadjump at 18' 9".

Other thirties winners were 660, Grandy, 1:32.1; 1320, Valdez 3:39.3; highjump, Lovazzano (tie) 5 feet; pole vault, Lovazzano (tie) 9' 6"; and discus, Harris, 10 2¾."

Twenties winners were Harve Marston with an 18' 7¾" broad jump and Dean's 38' 4" shotput.

AN IMPRESSIVE throng of Hope Lutheran church members and guests from throughout the Bay Area gathered Sunday for dedication of modern new church building on Old San Pedro road west of Junipero Serra boulevard.
Photo By Reichard

Hope Dedication Is Attended By Many

An impressive throng of members of Hope Lutheran church, visitors, friends of the church from the local area and from the Bay Area in general joined in the festive services of dedication at the new church on Old San Pedro road west of Junipero Serra boulevard last Sunday to participate in the services of dedication.

The group gathered at the church doors at 11 o'clock and the trumpet of Herman Cordes, San Francisco, assembled the worshippers for the service at door of the church. The Processional was led by the Rev. Louis C. Marting, pastor, followed by the members of the church council bearing the sacred books and vessels, the vested choir. With a prayer and the reading of a Psalm, the architect, Mario Corbett of San Francisco, handed the key to Dale Williams, president of the congregation and chairman of the building committee, who unlocked the doors, which were opened by the pastor.

Pastor's Sermon

The sermon in the morning service was based on Psalm 150. In the conclusion to his sermon, Pastor Marting stated: "Each time we enter this church, we receive the sacrament of the Lord's Supper, we bring our children to be baptized, or see a young couple in love pledge their faithfulness to each other, we are praising The Lord, only out of consideration of, and not in proportion to the mercies God has given us as individuals and as a congregation."

In the afternoon festival vesper service, the Rev. Amos Schmidt, pastor of St. Michael's Lutheran church, Portland, Ore., delivered the address. Following this service the Ladies' Guild held a reception for all in attendance.

Culminates Years' Work

The dedication of Hope church marks the culmination of several years of planning and work by the members of the church. In a congratulatory message to the congregation, Corbett wrote: " . . . It was most fortunate that a goodly number of members of this group were willing and anxious to participate in the actual construction." Corbett was referring especially to the art works; the entrance sculpture, black iron candelabra, Italian mosaic altar, hanging wooden cross over the altar, and the lecturn, which were done for the most part by the members and friends from designs by artists collaborating with the architect.

Services will be held in the new church every Sunday morning at 11 a.m. Sunday school classes for all ages will meet weekly at 9:30 a.m. beginning with a devotional service in the church.

Burglars Net Over $700 Loot In Two Weekend Break-Ins

Burglars looted over $700 worth of valuables in thefts at two adjacent stores on Mission street Friday night. Break-ins were made at the Veterans' variety store, 6564 Mission street, and at the Day and Nite Realty company, 6566 Mission street.

Greatest loss was reported at the variety store, with $458.50 worth of items discovered missing. Listed among the stolen articles were three radios, two electric shavers, two dresser sets, six jewelry sets, six tool sets and an electric coffeemaker.

Officers said entry apparently was made by removing the rear door by its hinges.

A total of $270 worth of loot, including $40 in cash, a $30 radio and a $200 camera was taken from the realty office. Police said entry was made by climbing rear stairs and reaching through a broken window to unlock a door.

NEAR VICTIM PROVES BRAVER THAN ROBBER

A prospective robber "chickened out" Saturday morning when his victim, a local grocery store clerk, grabbed the stolen money out of his hand.

Incident occurred at 10:50 a.m. at Sardelli's market, 6350 Mission street, when an apparent customer approached the clerk, Thomas Chaney, and asked for a carton of cigarettes.

Upon turning to get the cigarettes, Chaney said he heard a noise from the cash drawer. Spinning around, he grabbed $40 from the bandit's hand.

The culprit sped outside to a waiting car and escaped.

DC Public Library Burglarized Of $31

The Daly City library, 6351 Mission street, was ransacked and burglarized of $31 Saturday night. The money was taken from an unlocked money drawer, officers said.

Discovery of the theft was made by Head Librarian Patricia Clark who was showing the building to a friend on Sunday afternoon. Entry into the closed library by the culprits was apparently made by breaking a window, according to police.

DALY CITY WOMAN COMMITS SUICIDE

A 50-year-old Daly City woman, who police said had been in ill health since an accident two years ago, is alleged to have committed suicide Saturday night. The death of Mrs. Hansine A. Hebrank, 322 Oliver street, was reported by her husband.

Cause of death is believed to have been an overdose of seconal tablets. Hebrank, a pharmacist, told officers that his wife often assisted him in his drug store.

According to Hebrank, his wife was alone only once during the evening when he went into the kitchen to get some beer. He told officers that he took two seconal tablets away from her on his return to the living room but did not notice any change in her condition until later in the evening when he called the family doctor.

Police officers later discovered two more tablets lodged in the chair under her body.

Hebrank said he knew of no reason why his wife, who police said had made a prior attempt to commit suicide, would end her life.

No Loss Reported In Local Cleaners Break-In

Hilltop Cleaners, 6373 Mission street, was broken into and ransacked over the weekend, according to police. No loss was reported by Mrs. Ann Cantley, owner.

Unplanned Joy Ride Results In Crash

A 62-year-old San Francisco woman took a short but wild ride Sunday afternoon when all she really wanted was to turn on the car radio.

Mrs. Nell B. Galagher, a non-driver of 467 Justin drive, San Francisco, told officers she was sitting in front of Lasswell's mortuary on Mission street waiting for her husband when she decided to switch on the car radio, requiring the ignition to be turned on.

Suddenly, Mrs. Gallagher said the car began to move. She pulled on the wheel, forcing the auto into a U-turn, whereupon the runaway car hit another vehicle, in turn sending it forward into a building at 6173 Mission street.

Allan McBaird, owner of the car in the runaway auto's path, was inside Tanforan Florist shop when the crash occurred. Rushing outside, he found his car damaged but Mrs. Gallagher without injuries.

Police were called to the scene, and the woman was cited for driving without an operator's license and for making an improper U-turn.

FLOOD BILL TOPS COUNTY BENEFITS IN LEGISLATURE

Flood control bills and Butano Forest highlighted San Mateo county derived benefits during the recently completed 1956 session of the State legislature, according to Richard J. Dolwig, assemblyman 26th district.

Dolwig, who co-authored the $24,000,000 state wide flood relief bill, said: "San Mateo county is now eligible for $1,600,000 in funds for projects involving repair of city streets, county roads and state highways which were damaged during the disastrous December floods. In addition, the county is eligible for relief from public projects that were damaged—such as drains and sewer systems."

Dolwig has returned to San Mateo county from the State Capitol to inaugurate a vigorous campaign for the San Mateo county senate seat, which will be vacated in November.

Plans for the coming June primary campaign were discussed and the congressman answered questions on numerous subjects, from current legislation to Washington personalities.

School Group Votes To Encourage Six

The League for Better Schools voted to encourage six persons to run for positions open on the Jefferson elementary school board of trustees at its meeting Monday night at the Westlake school, according to Mel Battye, president.

The league voted to encourage the following persons to run: William H. Beck, 431 89th street, Colma; Lee Lester, 114 Westdale, Daly City; Ralph D. Lewis, 528 B street, Colma; Thomas F. Noonan, 471 C stret, Colma; Andrew F. Castle, 354 Abbot, Daly City; and Howard Richardson, 172 Louvaine drive, Colma.

Battyle stressed that these are not nominations or endorsements strictly speaking, but merely attempts to encourage qualified men to seek the trustee positions.

Joseph Lewkowitz, one of the two incumbents whose board positions are up for election, has announced his candidacy. Michael Callan, the other trustee whose term is up, has not announced his intentions yet.

Battye said that two other men nominated to be voted on by the qualifications committee were turned down by the league.

In other action at the league's meeting Monday night a nominations committee was appointed to recommend a slate of candidates for the group's election of officers in November. The league will meet next in October to hear the recommendations.

Name Ciampi To Coast Hi School Job

school in Sharp Park was reaffirmed by Jefferson Union High school trustees at their regular meeting Monday night. Trustee Raymond Whitney, who vowed at prior meetings that he would oppose naming Ciampi to the job, arrived late Monday night and therefore did not vote on the issue.

Ciampi was first chosen for the job in October at which time he reluctantly agreed to a deadline of August 1 for completion of working plans. On January 9 the board received Ciampi's signed contract with the deadline clause deleted by the architect.

Selection of Mario Ciampi as architect for the proposed high

The matter dragged on until last week when the board scheduled a special meetiag with Ciampi. Although establishment of another deadline was discussed last week, Monday's motion to hire Ciampi contained no mention of a time limit.

Trustees hope that the school will be completed by the fall of 1959, despite the fact that the district will have to go on state aid to build the plant.

In other business Monday night the board:

1. Scheduled a special meeting of the board with Edward Morgan, newly-named superintendent, for Thursday, April 19, at 7:30 p.m.

2. Tabled consideration on purchase of two school buses.

3. Tabled request by John Ford, clerk of the works for Westmoor High school, for vacation pay.

4. Tabled decision of acquisition of space for use by the administration. Under consideration are purchase and moving of a Portola drive house and rental of offices at the Lagomarsino building on Mission street.

5. Accepted offer of C. G. Uhlenberg and company to prepare the district's budget for the sum of $750.

6. Directed Mongan to investigate acquisition of an aerial map of the district.

Venturi Plans For Future; Blasts Masters Officials

Undaunted by his one-stroke loss to Jackie Burke in the Masters golf championship at Augusta Sunday, Westlake's Ken Venturi plans to knuckle down, practice all the harder, and "beat those pros in the National Open."

Friends gathered at San Francisco airport Monday to welcome Venturi home from Augusta. Venturi soared to an 80 in the final round of this exacting tourney, after he had led the nation's top pros for three rounds. He would have been the first amateur ever to win the event.

Stating that he didn't want to be accused of "sour grapes," Venturi blasted tournament officials for their handling of the event.

He said they switched his starting time and pairings, and that both factors influenced his play.

Byron Nelson, Venturi's old friend and tutor, was scheduled to play with Venturi in the final round, but officials switched pairings and sent Ken out with Sam Snead instead.

"They were afraid that Nelson might give me some help. Snead hardly said a word to me all the way around," Venturi said.

He also said that officials gave him afternoon starting times when the wind had dried the greens to a lightning fast texture. "Give me a decent starting time and I would have been O.K."

Venturi's plans call for him to enter the National Open at Rochester, N. Y., June 14-16. The San Francisco amateur champ will then play in the national Amateur at Lake Forrest, Ill. "Then, if time permits, the California amateur at Pebble Beach the week following," Venturi said.

He said he plans to enter the British amateur next year. "And I'm going to work my fingers to the bone for those tournaments."

Venturi admitted he concentrated on beating Middlecoff, and "Burke came out of the back door." Venturi finally was told of Burke's round with only two holes remaining. He needed pars to tie, but took a bogey on the seventeenth and missed a 25-foot birdie putt on the eighteenth.

Burke wound up with 289, which tied the highest winning score in Masters' history. Venturi carded a 290, and Middlecoff had 291.

Venturi, 24, lives at 97 Forest Grove drive, Westlake, with his wife, Connie, and their one-month old son Matthew Bruce.

Cantata Choir To Present Concert At Hope Lutheran

As part of the dedication festivities of the new Hope Lutheran church, the Lutheran Cantata choir and orchestra will present a sacred concert in the church next Sunday evening at 8 p.m. The chorus of 60 voices has devoted itself primarily to some of the more seldom heard sacred Cantatas of Johann Sebastian Bach.

At this concert the work to be performed is the Easter Cantata No. 4. It was first performed on Easter Day, 1724. The orchestra and chorus will be under the direction of Prof. Hugo Gehrke, head of the music department of California Concordia college.

Of added interest to the lovers of Sacred music will be the first West Coast performance of a new Easter Cantata by Richard Weinhorst, member of the music faculty of Valparaiso university, Indiana. Tonally, the music is both modal and modern. The cantata opens with a brief prelude for strings.

Music lovers or this area are cordially invited to attend this program of sacred music next Sunday evening.

COUNCIL DELAYS DECISION ON TAXI PERMITS

Decision on applications of two companies for taxicab permits here was held over for more study by the city council Monday night.

Because two of the councilmen were up for re-election Tuesday, many observers thought the 'hot' taxicab issue would be decided so that the incumbents could have some voice in the decision in the event they lost Tuesday.

However Councilman Edward J. Dennis, whose term expires along with Mayor Joseph Verducci's, said prior to the meeting that, "I want more study."

Verducci revealed at this time that, "I'm ready—I know where I stand." The other three councilmen, however, agreed with Dennis that more study was needed, so the issue was held over.

Seeking permits are Yellow Cab Co. and Westlake Taxi Co., proposed by George Mountanos, 757 Beechwood drive.

The council closed public hearings on the applications two weeks ago. Protesting both applications is Hilltop Cab. Co., presently the only taxi firm operating in Daly City. One of the owners of Hilltop Cab is George Kirchhubel, a critic of the present administration.

One letter asking the council to vote in favor of the Westlake Taxi Co., was received Monday from Thomas Muellman, 1095 South Mayfair avenue.

NEW 200-HOME UNIT IN WESTLAKE IS APPROVED BY CITY

One of the final segments of Westlake's southerly development was presented to the city council and approved Monday night.

The tract is Westlake Unit 8-D, consisting of 200 homes west of Skyline boulevard in the Palisades area.

The homes are in the $14,000 class, with corner residences going for $20,000.

Councilmen approved the map and improvement plans. Henry Doelger, Builder, Inc., has posted a $25,000 bond guaranteeing completion of city improvements such as sewers, streets, gutters and sidewalks.

HIGHWAY HYPNOSIS

In almost every respect our super-highways have proved themselves, but with their advent a new menace has reared its ugly head. It's the so-called "highway hypnosis" which comes from driving steadily in a straight line over an extended period of time. To combat this the California State Automobile Association suggests you purposely vary your speed every quarter of an hour or so.

PULL OVER

If you hear a siren when driving, you must clear any intersection you may be in, then pull over as far to the right as possible and stop. You should stay put until the emergency vehicle has passed. The California State Automobile Association says it's the law.

Westlake Cub Nines Split Weekend Tilts

Westlake Cub pack 248's 'A' team trounced pack 160, 20-4, but 'B' squad pitcher Biaga issued too many walks and the 'B's dropped a 14-12 decision to pack 15 in softball games over the weekend.

Th 248 'A' rocked the opposing pitchers for 33 hits in their one-sided conquest of 160 Sunday at Balboa park. Winning pitcher Barney Colangelo fanned 12 batters, hit safely five times in six attempts and scored one run to lead his mates.

The victory gave 248 'A' a 3-1 mark, and left them in second place in the West of Twin Peaks league.

Everyone hit safely for the Westlake club. Big guns in addition to Colangelo were Asaro with five for five and Mendoza with four for five.

Pack 15 literally "walked" away with the game Saturday against the 248 'B's. The 'B's outhit their rivals, 18-4, but Biaga walked ten runs across the plate and that decided the game.

D. Colangelo banged out two home runs and two singles in five trips to the plate to lead the Westlake attack. He also scored three runs. Berry hit safely twice in four trips, including a home run, and Kelecheva had a perfect day with three for three.

Saturday 248 'A' faces pack 61 at Balboa park, while the 'B's meet pack 84 'B' at South Sunset. Sunday 248 'A' plays pack 123.

MARCUS KIDNAPER SENTENCING TODAY

Mrs. Betty Jean Benedicto, 31, of Stockton was scheduled to appear in court today (Thursday) for sentencing by superior court judge John B. Molinari for the kidnapping of a Westlake infant last September 19.

Mrs. Benedicto was originally scheduled to be sentenced Friday, but judge Molinari postponed judgement, saying he had not been given enough information to help him reach his decision.

Probation officer Mrs. Irene Burton recommended against probation at a hearing before judge Molinari Friday. However, the judge said he wanted to know whether there were any extenuating circumstances.

Mrs. Benedicto pleaded guilty to a charge of kidnapping Robert Marcus, son of Dr. and Mrs. Sanford Marcus, 40 Northgate avenue, Daly City, from Mt. Zion hospital last September.

Local Resident Reports Cash Theft From Home
